

Homework SPAN 350
Deconstructing American Culture

Conduct an online search on U.S. culture to identify additional characteristics. Then, choose an ethnic group from your ancestral background (or you may choose any other) and conduct a similar search to explore how the two cultures compare and contrast. Note your findings and bring them to class for discussion on Tuesday 9/1:

- U.S. Culture Characteristics
- Another Culture's Characteristics
- How do you handle the differences?
